Title 37, Code of Federal Regulations, § 1.56(a)

A duty of candor and good faith toward the Patent and Trademark Office rests on the inventor, on each attorney or agent who prepares or prosecutes the application and on every other individual who is substantially involved in the preparation or prosecution of the application and who is associated with the inventor, with the assignee or with anyone to whom there is an obligation to assign the application. All such individuals have a duty to disclose to the Office information they are aware of which is material to the examination of the application. Such information is material where there is a substantial likelihood that a reasonable examiner would consider it important in deciding whether to allow the application to issue as a patent. The duty is commensurate with the degree of involvement in the preparation or prosecution of the application.

POWER OF ATTORNEY FROM ASSIGNEE

and

Certificate Under 37 C.F.R. § 3.73(b)

Gryphon Therapeutics, Inc., a California corporation, having a principal place of business at 600 Gateway Boulevard, South San Francisco, CA 94080-4824, states that it is the assignee of the entire right, title and interest for the United States of America (as defined in 35 U.S.C. § 100) and throughout the world in the invention disclosed and/or claimed in United States Patent Application Serial No. (To Be Assigned), entitled: **Polypeptide and Protein Derivatives and Process for Their Preparation**, submitted herewith by reason of Assignments to the Assignee executed on May 12, 2003, and submitted for recordation to the United States Patent & Trademark Office for recordation on May 13, 2003, and March 7, 2002 and January 23, 2002, and recorded on May 21, 2002, at Reel 012917, Frame 0127, copies of which assignments are enclosed.

The Assignee hereby appoints Jeffrey I. Auerbach, Reg. No. 32,680 to prosecute this application and any continuation, divisional, continuation-in-part, or reissue application thereof, and to transact all business in the U.S. Patent and Trademark Office connected therewith. The Assignee hereby further grants said attorney the power to insert on this Power of Attorney any further identification that may be necessary or desirable in order to comply with the rules of the U.S. Patent and Trademark Office.

To the best of the undersigned's knowledge and belief, title of the patent application identified above is in the assignee identified above. The undersigned (whose title is supplied below) is empowered to act on behalf of the assignee.

The undersigned further hereby declares that all statements made herein of his own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements, and the like so made, are punishable by fine or imprisonment, or both under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
